Last shoot of the year. Everybody wishing to compete brings a prize to the value of \$10-15.

Be at the range by 1pm, 12.30 if you need to arrange to borrow club gear.
Draw for shooting positions takes place at 1.20pm, so that shooting can commence at 1.30pm.

One application of 2 sighters and 15 counting shots at the 900m range.

This event is a 'self-handicap'. Each shooter must nominate a handicap before they commence shooting.

However, be warned! You will be penalised by 2 points for every one you over-shoot.

For example, your total score will be out of 75 (15 shots).

If you think you will shoot a 70, you may nominate a handicap of 5.

However, if you shoot a 73, your final score would be $73+5=78$, over-shooting by 3 shots.

After applying the penalty, this would leave you with a final score of $75-(3 \times 2)=69$.

Members select a prize from the table in order of their final scores.

GOOD SHOOTING!
